

How to book

You can purchase tour tickets from our website www.positivelybirmingham.co.uk. Some of our tours are also available on Tripadvisor and Get Your Guide. **Please note:** Tours are sometimes fully booked. Always pre-book to avoid disappointment.

Private Tours

Our walks are ideal for educational visits, teambuilding events, staff induction, city familiarisation and group visits to Birmingham. Timings and tour content can be tailored to your requirements. Indicative prices for private tours are published on our website. Contact us with your detailed requirements and we will provide a quotation and suggested itinerary.

Live audio system

We use live audio on most tours, ensuring you can hear the guide clearly all the time, especially useful for larger groups and those with impaired hearing.

Our books

The tours have evolved from our exploratory books of the city – best-sellers since the 1990s.

Discovering Birmingham: A guide full of things to see and do. Includes a city centre map.

Invention & Design – Elkington of Birmingham: The exciting story of the discovery of electroplating in Birmingham. Based on our Sunday afternoon tour.

Birmingham's Public Art: A coffee-table style book published in 2023 with its own website: www.birminghamspublic.art.

Access, terms & conditions and itineraries

Wheelchair and mobility scooter users are welcome on tour wherever possible. Our audio system is invaluable for those with impaired hearing. For other access issues we are happy to discuss how we can cater for your needs.

Our access policy and terms and conditions are available on our website, where you can also download leaflets with further details of our tours.
